

Good morning,

As the nation's largest provider of event telecommunications and technology in the convention industry, and the contracted **Minneapolis Convention Center** partner for all of your Internet and Telephone needs Smart City welcomes you back to the **Home and Garden Show 2020**.

Smart City provides technology services to over 3,000 conventions and meetings at more than 35 convention centers annually and offers the following services for the **Home and Garden Show 2020** to ensure all of your event technology needs are met.

- Wired and wireless internet data services.
- Network cabling, switch installation.
- Voice/phone services.
- Data network engineering to connect your exhibit space back to your home office.
- Network security and monitoring.

Get your order in by the **incentive pricing deadline of January 30, 2020**, use our **online ordering** system at: <https://orders.smartcitynetworks.com/center.aspx?center=024>

Smart City Minnesota would like to thank you for your business. If you have any questions regarding our service offerings and what we can do for your company to ensure all of your event technology needs are met or you have any questions regarding your order please contact your Advanced Exhibitor Solutions team via email or phone.

We look forward to working with you!

Jayne Kirchhoff
