SHOW FEATURES

HGTV’s Unsellable Houses!

PNW locals, Lyndsay Lamb and Leslie Davis are twin sisters, multi-business owners, top-producing real estate agents, and co-hosts of HGTV’s Unsellable Houses. They’ve combined their years of experience and passion for business, marketing, home design, and staging to bring their company, Lamb & Co., to life, including a top-producing real estate company, brick-and-mortar retail storefront, Lamb & Co. Design, and Lamb & Co. Renovations. Lyndsay’s the design, marketing, and staging guru, and Leslie’s the negotiation, budget, and behind-the-scenes expert; together they make the perfect team. The sisters will take the Stage on Friday and Saturday to share home improvement tips, design and decor ideas, and everything you need to help your home stand out – whether you’re looking to sell or not.

Local Makers Market

New this year, the Tacoma Home + Garden Show is thrilled to host the Local Makers Market. Many featured artisans followed their passions and started businesses during the pandemic, bringing a bevy of beautiful new art, home goods and apparel to the show – giving attendees the opportunity to support emerging local makers. The South Sound-based coalition of artists empowers and encourages locals who are passionate about handcrafting items to explore their talents and follow their creative dreams by providing them with opportunities to sell unique products and share their stories.

Shop & save with over 350 exhibitors and artisan vendors!

This year, discover exhibitors from solar solutions, vintage transformations, designer paint and windows to delicately designed candles, soaps and home decor. From professional designers to those looking to make their house more of a home, there’s something for everyone to enjoy!
