Tacoma Night Market

For the first time, the Tacoma Home + Garden Show is thrilled to welcome and host the Tacoma Night Market at this year's Show. Founded by Leah Morgan to bring together local artisans to create unique community-oriented pop-up shopping experiences, the T.N.M. has developed an incredible fan base and network of talented makers. You'll find rare, handmade offerings for your home and garden in this exciting new section of the show. The perfect place to find a unique gift from one of the 50+ vendors, the Night Market gives a taste of creations made by Grit City's finest, including local woodworkers, ceramic artists, printmakers, botanical jewelry artists, glass artists, and other craftspeople. Since its inception, the Night Market has been a platform to support local small businesses and raise money for non-profits in the PNW.
