[Click Here](#) for their order form. You can also find their order form on the online Exhibitor Kit at tacomahomeandgardenshow.com/exhibitor-kit.

Discount Ordering Deadline: January 12, 2023. If not ordered in advance, subject to floor order rates.

The Exhibitor Services Desk will be located on the NE side of the building in lounge 1A, by the Show Office.

12.DISPLAY STANDARDS

Show Management reserves the right to refuse entry or to have removed at the exhibitor's expense any display, which is not in accordance with these display standards. If any doubt exists, or where a special case exists, the exhibitor must provide details and obtain approval from Show Management prior to move-in. Show Management reserves the right to make final decisions with regard to the following:

Floor Covering – It is **mandatory** for exhibitors to have floor covering (carpet or other appropriate alternative) completely covering the exact dimensions of the space designated so that no concrete is exposed. Exhibitors with floor coverings of poor quality and appearance, or inaccurate dimensions will be required to provide a replacement of acceptable standards.

REMINDER – Booths are standard 10' x 10' increments

High Side Walls – All booths will have 8 ft. draped side and back walls, except for corner and end cap booths.

Lighting – The lighting in the Tacoma Dome during the Tacoma Home + Garden Show will be ambient. The overhead show lights will not be adjusted during show days, and do not assume that the show lighting will provide enough illumination for your display. We strongly recommend that all exhibitors add additional lighting. The 8ft black drape high side walls tend to make booths a little in the shadows, especially if you have a 10' x 10' inline. Please provide your own lighting or order from CORT Pro Services.

Exhibit Boundaries - Nothing, including carpet, may extend past the outer boundaries of an exhibit into the aisles or an adjoining booth. Display material must not obstruct visibility of adjacent booths and should not exceed eight (8) feet in height. Exceptions to the eight feet limit for display of merchandise may be obtained from Show Management prior to the move-in. Any portion of a display or signage above 8' must be professionally finished on the reverse side.

Display Material – All exhibits must be free standing and self-supporting. Free standing bulletin boards, signs, etc. may be used providing exhibits are not hidden from view. Unfinished sides or backgrounds must be draped. Racks and display shelves must not unduly obstruct visibility of adjacent exhibits. Tables must be professionally skirted (no plastic) with floor-length skirting on all four sides. All stored items must be out of sight.

Sample Size Requirements – All samples must not exceed the facilities' (Tacoma Dome) 2oz. sample size when distributing samples.

13.DISPLAY VEHICLES

Any vehicles to be displayed are subject to the following conditions:

- Vehicle must be approved by Show Management at least 2 months in advance of show.
- Battery must be disconnected.
- Fuel tanks must not be more than ¼ full.
- Fuel caps must be taped or locked shut.
- Drip pans must be placed under vehicle.
- Ignition must be disabled, or the vehicle locked and hood inoperable from the outside of the vehicle.
- Keys must be left with Show Management.

14.DISTRACTING DEVICES

Any attention arousing devices, such as noisemakers, flashing lights, movies, music, broadcasting, television, drawings, etc., are subject to Show Management approval. No approval will be given to devices which are obviously distracting and annoying to exhibitors (Hardwall systems must be used for stereo equipment to reduce noise distractions).

15.DOLLIES/HANDCARTS

The show decorator provides a minimal number of handcarts to help with move-in; however, exhibitors are strongly advised to bring their own dollies and handcarts. Please remember to label all your personal property – such as handcarts and tools.

16.EARLY ENTRY

- Opening day of the show, Exhibitors are permitted to enter the premises at 8 am via the Exhibitor Entrance, located at the NE door by the F parking lot. [Click here](#) for Tacoma Dome parking map.
- The remaining show days, Exhibitors can enter the building one-hour before show opening.
- Security check will be in effect; therefore, you must wear your Exhibitor Badge at all times during show days.
- If you leave the building for any reason, even to go to your car or Will Call, you must be wearing your badge to re-enter the building.
- Exhibitors may be subject to a search prior to entering the facility. This can include bags, backpacks, purses, briefcases, etc.

If you require access to the premises earlier than one hour before the show, you must obtain authorization from the Show Management the day prior. Security personnel will not permit access without this authorization. If the facility requires special arrangements for extra security during this early access, **the cost of this security will be charged to the exhibitor.**

17.ELECTRICAL & LIGHTING

Each booth comes with a standard 500-watt outlet (190- volt duplex).

If more power is needed, please fill out the online form at www.cortpartyrental.com/exhibitor-order-forms. Any questions, please contact **CORT Pro Services** directly at 877.939.7368 or customer@cort.com. **Discount Ordering Deadline: January 12, 2023.** If not ordered in advance, services and equipment will be subject to floor order rates starting at \$119.

- Please note **power may not be available during move in**, please come prepared with cordless power tools and extension cords.
- 500 watts are included with your booth cost. **Please check the wattage of all your power needs to determine if you need more power.** For instance, appliances such as vacuums, microwaves, and space heaters may exceed 500 watts and you will trip the breaker for your booth entire row if used.
- Show decorator and electricians work standard 9am - 5pm hours during move in and out. The show electricians will not be on-site during show days.

18. EXHIBITOR BADGES

Exhibitor badges are the entry passes into the building and will be issued according to your square footage as follows. You are not permitted to order badges for personnel who will not be working within your exhibit.

0 – 100 square feet	=	5 free badges
150 – 200 square feet	=	7 free badges
250 – 300 square feet	=	9 free badges
350 – 400 square feet	=	11 free badges

Plus 2 badges for each additional 100 square feet

Your badges are to be picked-up from the Show Office in Lounge 1A during Move-In. They will not be mailed.

Once picked up, you are responsible for distributing the badges to your staff prior to entering the building. Do NOT leave them in your booth. A badge is required for admittance to the building during show days. [Click here](#) to view the show floor map to show the location of the Show Office.

If you have more workers than the allotted number of badges, you may leave the badges in the Show Office to be rotated daily by your staff. Please instruct your staff to daily drop off and pick up their badges at the Show Office, and to park and enter from the F-Lot in the NE corner of the building to reach the Show Office. No exhibitor will be allowed through the main entrance of the show without a badge. If at any time all your badges are missing, you will be charged \$7.00 for a replacement badge. Any questions, please email michelled@mpeshows.com.

Exhibitor personnel will have access to their booth one hour prior to show opening each day of the exhibition (with the exception of opening day of the show, Exhibitors can enter the building by 8 am). **Security guards are instructed to refuse admittance to anyone not wearing an exhibitor badge.**

If an additional or a replacement badge is required during move-in and show days, proper identification will be required and there will be a charge of **\$7.00 per badge**. All exhibitor personnel must be 16 years of age or older.

19. EXHIBITOR CONDUCT

Show Management reserves the right to refuse admission to or ask to leave the facility to any exhibitor or exhibitor's employee who is deemed by Show Management to be unfit, intoxicated, or is in any way creating a disruption to the show.

20. EXHIBITOR ENTRANCE

All exhibitors should park behind the Tacoma Dome in **F & G** parking lots. This gives the attendees more room to park in the front "A" lot of the Tacoma Dome. Please use the SW Entrance during Show Days as that is the designated Exhibitor Entrance.

You must wear your Exhibitor Badge for entrance to the show. If you don't have your Exhibitor Badge – let the security guard know what company you are with and then go directly to the SHOW OFFICE to pick up a badge. This will only work at the Exhibitor Entrance in the SW corner. If you go to the main entrance without a badge, you will be directed to the Exhibitor Entrance at the rear of the Dome.

Show hours are as follows:

January 26 to January 29, 2023:

Thursday	11:00 am - 7:00 pm
Friday	11:00 am - 7:00 pm
Saturday	11:00 am - 7:00 pm
Sunday	11:00 am - 5:00 pm

Please note that the building will not be fully heated by Opening Day, so please dress warmly. We recommend you dress in layers throughout the length of the Show, especially if your space is located by an outside door. Do not use a space heater in your booth unless you have ordered additional power.

21. FIRE EXTINGUISHERS

Exhibitors are strongly advised to have one handheld fire extinguisher in their booth. This safety precaution enhances the efforts of Show Management and the Tacoma Dome to satisfy Fire Marshall requirements.

22. FIRE REGULATIONS

Go to end of this document for booth requirements from the Tacoma Fire Department.

23. GARBAGE REMOVAL DURING MOVE-OUT

Once the displays have been dismantled, exhibitors must remove all garbage and place in the provided receptacle bins. Failure to do so can result in fines issued by Show Management.

24. GUEST PASSES

tacomahomeandgardenshow.com/exhibitor-kit

To help mitigate the heating issues with the Tacoma Dome in January, we will not be opening the large rollup doors on Wednesday of move-in. Personal and company vehicles will not be allowed inside the Dome – no exceptions. We offer free forklift services on Tuesday and Wednesday, and the decorator will have limited carts available to help facilitate move-in.

Set-up Hours on Tuesday and Wednesday are 8 am – 8 pm

- You are assigned a specific move-in day/time. You can continue to set-up in your display after your initial move-in time. Move-in times are based on your booth location – please check your time on the online map at tacomahomeandgardenshow.com/exhibitor-kit.
- Do not arrive prior to your move-in time; your booth row may be a designated drive lane and your booth drape may not be set up.
- Please consider the free forklift service and pushcart usage when determining if you must drive into the Dome to unload.
- Once you have unloaded, you can continue to set up your booth until 8 pm.
- After 8 pm, the building is locked down. You may continue to work in your booth; however, you cannot leave your display area. Once you leave the building, you cannot re-enter.

TUESDAY, JANUARY 24

We will offer free forklift service through the small rollup doors. The decorator will have limited carts available for use; however, we do recommend you bring your own. Label all your tools, cords, carts, etc.

34. MOVE-IN & MOVE-OUT - CHILDREN NOT ALLOWED

For safety reasons during the move-in/move-out hours, children under 16 years of age (this includes infants) are prohibited inside and around the show halls and parking lot. This precaution is taken due to vehicles operating in the building, including forklifts and machinery that are dangerous. Injuries to children would not likely be covered by insurance because of this regulation.

THIS WILL BE STRICTLY ENFORCED!

35. MOVE-IN OFF LOADING

All major shipments, i.e., crates, will be off-loaded with forklifts and delivered to designated booth locations. IT IS EXTREMELY IMPORTANT THAT EXHIBITORS ARE ON HAND TO RECEIVE THEIR SHIPMENTS. This avoids damage and theft of goods and ensures delivery to correct booths. Exhibitors not on hand to receive their shipments may find that they have not been accepted and have remained with the carrier.

Show Management provides forklift service from the truck to the exhibit booth location. Any specialty use of forklifts, i.e., to assist in set up of display, or unloading unusually heavy or awkward shipments, are at the exhibitor's expense and may be arranged by contacting Trade Show Supply House at bryan@thedecorator.net in advance of the Event.

36. MOVE-OUT REGULATIONS

No exhibitor may commence to dismantle, pack, or remove any part of their display until 5:01 p.m. on Sunday, January 29, 2023.

All goods and displays must be removed from the facility by 11:59 pm (midnight), Sunday January 29, 2023. Any exhibitor material remaining within the premises of the Tacoma Dome after 11:59 pm (midnight), Sunday, January 29, will be removed and placed in storage at the exhibitor's expense.

WARNING: THEFTS MAY OCCUR DURING the confusion of move-out. Watch your display carefully.

No vehicles will be allowed entry to the facility until the aisle carpet has been rolled up. Please do not roll carts over the carpet – hand carry only. This usually takes approx. 1.5 hours after show closing.

Vehicles will be directed into the facility for loading only when their display is fully dismantled and ready for loading. This is to ensure that as many exhibitors as possible can move out without congesting the facility.

EXHIBITORS ARE STRONGLY ADVISED TO BRING THEIR OWN DOLLIES AND HANDCARTS. LABEL YOUR PROPERTY.

37. OVER-SIZED TRUCKS + TRAILERS

Large and accumulated shipments arriving by major carriers in large trucks are encouraged to arrive as early as possible after regular move-in commences in order that entry and maneuvering may be carried out as easily as possible. For your designated time, please refer to the move in schedule map in the online exhibitor kit at:

tacomahomeandgardenshow.com/exhibitor-kit

38.PAGING

Per Tacoma Dome regulations, unscheduled announcements made over the paging system will be for emergencies only. Other than staff using the p.a. system and pre-recorded show announcements, no other announcements will be made while the show is open to the public

39.PARKING

Parking for attendees AND exhibitors is free throughout the show! Parking is first come, first served.

Exhibitor Parking is in Lot F and G. The Exhibitor Entrance is located at the NE Door of the Tacoma Dome. See the online Exhibitor Kit page on the website for a map of the Tacoma Dome parking lots/entrances:

40.PAYMENT OF ACCOUNT

Full and final payment for exhibit space must be made by **December 15, 2022.** Show Management reserves the right to refuse entry to any exhibitor for whose account has not been paid in full.

41.PLANTS

Exhibitors may bring their own live plants and other similar decorations. If you need to water/care for your plants, you must supply your own tools and hose. Please do not empty your dirty water or wash dirty tools or muddy hands in the bathroom sinks. Come to the Show Office for the janitor closet locations.

42.PLUMBING

The Tacoma Dome is able to provide water; however, due to restricted access to water sources on the exhibit floor, it is crucial that exhibitors provide their own hoses that may reach hook ups and drains.

Drains are exclusively provided for the drainage of wastewater. It is prohibited to use drains for the disposal of grease, solids, solvents, hazardous materials, or organic materials of any kind.

43.PROPANE

The use of propane is by Fire Department permit only. Booths permitted to use propane will be limited to one 1.2-gallon tank. Tanks will be removed nightly; fire extinguishers will be required based possible hazards; tanks will be shut off when not in use; under no circumstances will any burnable objects (paper, plastics, wood) be allowed within 18" of propane flames. Show Management reserves the right to declare any exhibit unsafe and order its correction or removal.

Lack of such declaration does not release the exhibitor from final responsibility for any harm or damage to the public and/or their property.

46.SECURITY SERVICE

Show Management will provide uniformed watchman personnel for 24-hour patrol of building and grounds during move-in, show hours and move-out.

NOTE: During move-in and move-out you are responsible for the security of your merchandise and exhibit. Please watch your display accordingly. Report any loss immediately to the on-site Show Office.

All signs must be tasteful and professional. The use of handwritten signs, paper banners, large discount pricing cards or other such material is unacceptable. Signage may not impede adjacent booths. Signs identifying your booth, company or products must be clear and informative. Any signage over 8-feet must have a professional finish on the backside, with no advertising.

****Please note the Tacoma Dome policy forbids the hanging of signage from the building structure.**

50. SMOKING

The Tacoma Dome is a non-smoking building, including concessionaires and Exhibition Hall. In accordance with the City of Tacoma, city ordinance #24207 mandates a \$100 citation to be issued to smokers.

51. SOLICITATION PROHIBITED

Solicitation in the aisles and other public areas other than your booth is strictly prohibited.

52. STAFFING OF EXHIBITS

It is mandatory that exhibitors staff their exhibits during all hours of the show. Security is an added problem when exhibits are not staffed. Exhibitors are reminded that Show Management does not assume responsibility for losses; therefore, you should take precautions to protect your display, including obtaining insurance. All exhibitor personnel must be 16 years of age or older.

53.STORAGE

Exhibitors are expected to arrange for storage of empty crates off-site, at their own expense. Fire Marshal regulations prohibit the storage of boxes, crates, packing materials etc, and not over one day's supply of literature in the exhibitor's booth space.

The Tacoma Dome does not have available storage.

54. SUBLETTING BOOTH SPACE

No exhibitor may sublet any portion of their booth to another supplier without the written consent of Show Management.

55.TRESPASSING

Exhibitors are granted access to the Tacoma Dome only at designated times, i.e., show hours, and one (1) hour before show opening. Entering another exhibitor's booth without their permission is **STRICTLY PROHIBITED**.

56.WASHINGTON STATE TAX ID - REQUIRED

The Washington State Dept. of Revenue requires every exhibitor who participates at the show to provide a UBI number (WA State Tax ID) to conduct business in the state of Washington, or they will not be allowed to exhibit.

The show must submit all UBI numbers to the state. Please email michelled@mpeshows.com your business UBI number. If you are an out of state/country exhibitor and need a temporary number, register online at dor.wa.gov/forms/temporary-registration-certificate, or call 800.647.7706 for assistance. There is no charge for a temporary certificate. Once a number has been assigned to you, please email it to michelled@mpeshows.com. Please note that you need to report all revenue from the show to the state 10 days after the close of the show.

57.WEAPONS AND FIREARMS

Under no circumstances are firearms, knives (even pocketknives), tasers, stun guns, etc., allowed in the Tacoma Dome. This includes persons with a concealed weapons permit. Attendees cannot bring any previously purchased sharp items, such as kitchen knives or garden tools, into the Tacoma Dome. Please note that metal water bottles are not allowed.

58.WILL CALL

Will Call will be located outside by the main front entrance. If you need to leave Special Guest Tickets for a visitor, please place in an envelope with their first and last name clearly written on the front and instruct your visitor to pick up their pass at Will Call. You can also put several tickets in one envelope with your company name on it. Please clearly write one the envelope to give one pass per person. There is no guarantee with this method as the entire envelope could be given to one person.

Exhibitor Badges are required for an Exhibitor to enter the building. Please do not leave badges in Will Call, as this causes long lines and confusion. If you need to leave a pass for a worker or need to rotate your passes each day with shifts, please leave them at the Show Office and instruct your workers to park and enter from the F-Lot in the NE corner of the building to reach the Show Office.
