SEATTLE – October 28, 2019 – Tickets are now available for the Northwest Flower & Garden Festival, a Northwest gardening tradition for over 30 years returning for its five-day festival on February 26 – March 1, 2020, at the Washington State Convention Center. Dozens of extraordinary display gardens will delight the senses, 100 free seminar workshops will be packed with educational tips and tricks, and thousands of treasures in the garden marketplace will be available to take home from the show – the perfect place to celebrate “Spring Fever” and kickoff the start of the season.

Fleurs de Villes’ internationally-acclaimed floral art debuts!

Each Fleurs de Villes bespoke floral mannequin will be designed in partnership with the city’s top florists, providing a new source of wonder and entertainment for seasoned veterans and budding gardeners alike.

The second-largest garden festival in the U.S. continues to expand this year by bringing more gardening nonprofits, local nurseries and community resources to one place. Elevated food and drink options will be available on-site. Sip custom floral cocktails, snack on gourmet bites and enjoy live music in between workshops, seminars and demonstrations full of inspiration and advice for experts, beginners and everyone in between.
Gardening’s most influential will be in Seattle to mingle with guests, answer questions and share exclusive tips, including celebrity speakers such as Ciscoe Morris, Lisa Steele and David Mizejewski. Garden Answer’s Laura LeBoutillier will appear for a meet & greet sponsored by Proven Winners. Fan-favorite activities like Container Wars, City Living and Blooms & Bubbles are back again to provide an unmatched experience for garden, home and design enthusiasts. Two-time “Best in Show” winner, Christianson’s Nursery, will return to the display garden stage to compete for the Festival’s top prize. Legacy vendors like Swanson’s Nursery, Lee Valley Tools and Bob Bowling Rustics will headline the marketplace for the ultimate festival shopping experience.
