

RIVERCENTRE LOADING DOCK

310 EAGLE STREET | 651.265.4847

- **RiverCentre Loading Dock:** Located at 310 Eagle St., the RiverCentre Loading Dock is staffed 24 hours / day, 7 days a week. This loading dock features 10 fully enclosed bays with drive on ramps to the exhibition hall floor and freight elevators to all levels of Saint Paul RiverCentre.
- **Deliveries:** Due to limited storage space, exhibitors should ship all items through their decorator's drayage services. For questions regarding shipping event materials, please contact your show promoter. Saint Paul RiverCentre will not be held responsible for any missing or damaged items.
- **Carts:** Exhibitors are encouraged to bring their own carts for transferring freight. Saint Paul RiverCentre has a very limited supply of carts and they are available on a first-come, first-served basis from our security office located near dock 1.

- **Move In Times:** Each event will have load in and out dates and times that are established by the show's promoter. Please refer to your exhibitor packet for your specific load in time. Exhibitors are not permitted to load out earlier than the posted load out time.
- **Loading/Unloading Time:** In order to best manage traffic in the loading dock, exhibitors are given 15 minutes to load and unload materials. After this time period, vehicles are subject to towing. Once unloaded, exhibitors are encouraged to park their vehicle in the RiverCentre Parking Ramp, which is connected to the facilities via skyway.
