We're excited to welcome Chris Lambton to the

ST. PAUL
HOME &
PATIO SHOW

We're excited to welcome Chris Lambton to the St. Paul Home & Patio Show. Chris is host of DIY Networks "Lawn and Order", "Yard Crashers" and appears with his wife, Peyton, on HGTV's "Going Yard" where they transform backyards, one house at a time. Chris' expertise includes landscaping, hardscaping, garden planning, lawn care, and maintenance for all of these areas of your outdoor living space.

Chris also appears on HGTV and DIY Networks specials "HGTV Dream Home", "HGTV SmartHome" and "Blog Cabin".

Chris first won hearts onscreen in season six of ABC's "The Bachelorette," starring Ali Fedotowsky, and was ultimately named runner-up. Don't miss him on-stage this Valentine's Day, Friday, Feb. 14 at 4 p.m. or Saturday, Feb. 15 at 11 a.m. and 1 p.m.

Q. What tool should every homeowner own?

A. A quality shovel. Its that basic but a reliable one can not only dig holes but also help you weed, spread gravel or mulch, scrape ice off of driveway or walkways, and even be used as a pry bar. A reliable, durable shovel is a must have.

Q. Tell us about your green thumb.

A. I love plants both indoor and outdoors. My pride and joy right now is a coffee bean plant I have growing inside my house!

Q. What's your favorite HGTV or DIY Network series?

A. I love watching Fixer Upper. Have you heard of this show? Its gonna be a hit.

Q. Tell us about your pets.

A. I have a 6 year old Swiss Mountain Dog named Summitt. She is so good with our kids and a great watch dog for when I travel too!

Q. What's your favorite paint color?

A. My favorite paint color is Tennessee Orange. Never thought I would say that until I married a girl from Tennessee and she went ahead and painted our laundry room that color.

Q. What are your best landscaping tips?

A. My best landscaping tip is to buy plants in the fall. Not only is the Fall a great time to plant due to the cooler days and nights and more frequent rains but the Fall is when nurseries put plants on sale to get rid of their stock. Plan ahead, make a list and get some great deals on plants.

Q. What are you currently reading?

A. I am reading the new Richard Russo book Chances Are. He is one of my favorite authors.

Q. What is your favorite room in your home?

A. Favorite room in the house is the kitchen. I love to cook and the kitchen is always the place friends and family congregate.

Q. What is your favorite kitchen gadget?

A. Favorite kitchen gadget is our Jura coffee maker. I love a good cup of coffee in the morning and this makes the best.

Q. Are you a fan of the Mari Kondo method? What's your best organization hack?

A. We watched the Mari Kondo method and I was amazed. I tried to do the t-shirt thing and retire some but I couldn't. I have some t-shirts from high school and there is no way I am getting rid of them!

Q. Which HGTV/DIY Network star would you most like to work with and why?

A. Josh Temple. Love him. He makes work fun and knows his stuff.

Q. What's your favorite part about speaking at a home show?

A. Home shows are a great spot to meet new people and find out trends. I love to walk around and find out new ideas.

beauty from the floor up.

ST. PAUL HOME & PATIO SHOW

Featured Gardens!

You're in for a treat when you walk through this year's gardens! Five local landscapers have designed outdoor living spaces based on the theme St. Paul Backyard Getaways. You'll forget all about the ice and cold outside when you immerse yourself in each of these thematic backyard living spaces. Get inspired by unique water features, fire pits, patio pavers, outdoor kitchens and more.

Theme: **A Day in Superior's Backyard** Garden #G1

Let Superior Landscape & Irrigation design and build your dream outdoor project! We specialize in paver patios, paver driveways, retaining walls, and so much more. Visit our garden booth for an exceptional showcase of outdoor projects. Bring along your ideas to discuss with our team in the Design Studio.

Minnesota's own Patio Town,
where you can do it yourself
but you're not on your own.

**Design
Build
Enjoy**

Theme: **Urban Oasis** Garden #G2

Let Patio Town and Villa Landscapes help you create the perfect oasis – whether you have a large or small outdoor living space in the city, in the suburbs or out in the country. Visit our garden booth display to explore a variety of outdoor living spaces, including a raised patio with a basalt water feature, a circular seat wall that surrounds a beautiful fire pit kit, and two complete outdoor kitchens with a fireplace, grill islands, an outdoor oven and a pergola that will become your family's favorite spot.

Villa Landscapes professionals can help you get started with the planning and design of the outdoor oasis of your dreams and will be with you every step of the way from design to building to completion. If you are a do-it-yourselfer, discuss your plans with our Patio Town outdoor living experts!

**The Foundation of Our
Business is Built on
Satisfied Customers**

Theme: **Locally Sourced, Crafted With Pride** Garden #407

Tracer will turn your vision into reality. Our experienced crews offer professional full-service landscape, masonry and restoration services for commercial and residential clients.

From the simplest repair to the backyard of your dreams, we deliver beauty. Allow yourself and loved ones to relax and unwind in the comfort of your outdoor living space, tailored to suit your lifestyle. Be the envy of the neighborhood with your peaceful water feature, toasty fireplace or outdoor kitchen.

For our commercial customers, make a great first impression with your clients by showcasing your stunning, low-maintenance landscape or custom stone signage. We will work with you to design the perfect landscape plan that fits your company's style and attracts positive attention to your property.

Theme: **Minnesota Living** Garden #566

One of the best parts of living in Minnesota is the opportunities we have to be outdoors and enjoy our seasons. Sculptured Earth prides itself on creating opportunities for clients to get outside and enjoy the seasons and more importantly, enjoy their back yards. Creating interactive ways to tie spaces together in your back yard helps to take a backyard patio and turn it into a "backyard getaway."

Sculptured Earth Inc., located on the metro area's west side, creates beautiful landscapes for the Twin Cities area. Enjoy their truly unique approach to listening to a client's needs and providing landscape designs and installations that are personalized, beautiful and stand the test of time.

Theme: **Northern Nights** Garden #562A

As one of Minnesota's premier outdoor living contractors, Precision is excited to once again be a part of the St. Paul Home + Patio Show. This year our backyard space is inspired by those nights up north under the stars. Precision wants to help you create your own getaway right in your back yard. From design to install, we do it all. Stop by and talk to one of our experts about your dream backyard!
