More than

Welcome to the 2020 Philly Home + Garden Show!

or the 5th Philly Home + Garden Show, we're presenting more features and special events than ever before, along with more than 250 designers, home and garden experts, and celebrity home renovators who are eager to share their knowledge with you.

This Valentine's Day weekend, we invite you to take a romantic stroll through our extensive Garden Hall, create your own floral arrangements and DIY decor projects (to bring home, of course!), see how to enhance your outdoor space with indoor technology, and even recycle your old electronics.

It's our mission to connect you with the most qualified professionals, and to provide the newest products, ideas, and techniques that will help you realize your home improvement goals. We hope we've succeeded, and that you enjoy the show!

Sincerely, Jenna Naffin, Show Manager

You've **Gotta See This:**

Love Grows Here

Get out of the cold and take a romantic stroll through more than 7.500 square feet of inspirational gardens designed by some of the region's top landscapers. Check the new techniques, ideas, and musthave products for 2020, spend some time at the Pop-Up Flower Shop, Garden Market, and Succulent Bar, and kick back and relax in our Wine Garden.

Do You Dig It?

Go beyond bulbs and blooms to learn about edible landscaping, planting a children's garden (it's never too early!), raising chickens, beekeeping, and more. Experts will show and share what you need to know about these fun and rewarding horticultural interests.

The Connected Backyard

Built by Burke Brothers Landscape Design/Build and powered by Xfinity. Reimagine your backyard outfitted with the smart home technology in this feature garden. See ways to make your own outdoor space an extension of your home, with the same comfort, convenience and security that you're accustomed to having indoors.

Make-it. Take-it workshops presented by **The Painted Home**

Create and take home something new for your home at one of our free Make It, Take It Workshops! These popular sessions let you work directly with local designers, artists, and crafters showcasing what's hot in DIY. Come and flex your project skills, while learning some new ones!

The Barking Lot

Don't forget your pets while shopping at the show! The unique Barking Lot pet market has a special assortment of toys, treats and accessories to bring home to your furry family members. You'll also feel good about knowing that a portion of all sales helps support the work of the Pennsylvania SPCA.

Erase Your E-Waste

Help us change the future by getting rid of old electronics! Bring your unused or outdated electronics to the Philly Home + Garden Show, and PAR-Recycle Works, a nonprofit electronics recycler, will e-cycle them responsibly (see list of acceptable items at our website, phillyhomeandgarden.com). It's our way of helping you to be a little more green.

Eric & Lindsey Bennett

Eric and Lindsey Bennett have been transforming out-dated Palm Springs, California properties for more than a decade. Originally from the Midwest, the property power couple moved across the country in 2006 to pursue their dream of building a real estate empire, and since then, they have built their business together—selling real estate, originating loans, acquiring rental property and flipping more than 100 houses.

The Bennetts share their success by educating and inspiring others to get in the game of real estate investing and renovation. Eric, a savvy real estate entrepreneur and financier, and Lindsey, a construction planner, manager and designer, can be seen in their

hit HGTV show *Desert Flippers* bravely defying triple-digit desert heat and renovating dilapidated homes while raising three rambunctious small children. Don't miss the dynamic duo as they take the time to educate and share the ins and outs of the real estate business!

Barry Williams

Barry Williams had many TV roles before becoming known to millions as Greg Brady, America's most reliable big brother, on TV's

hit show *The Brady Bunch*, but that's the one that has endeared him to viewers worldwide and enjoyed unprecedented success. Since then, his extensive career in entertainment has encompassed musical theatre (more than 85 productions and starring roles), and he's been a bestselling author, satellite radio host, and executive producer (NBC-TV movie *Growing Up Brady*).

Recently, Barry and the other actors who played the *Brady Bunch* siblings got together for HGTV's highly-rated new series *A Very Brady Renovation*, in which they worked to restore the house featured in the *Brady Bunch* show—and which gave him many insights into home renovation design and production. Barry has also recorded several CDs of music and performed all over the world. He continues to sing and perform with the trio Barry Williams & The Traveliers, and will perform as part of his Philly Home + Garden Show appearance!

and the mikeroweWORKS Foundation

his year, the Philly Home + Garden Show is adding a focus on the shortage of skilled labor, an issue that affects many in the Philly home improvement arena. Marketplace Events, the producer of the Philly Home + Garden Show, has partnered with Mike Rowe and the mikeroweWORKS Foundation to bring attention to the issue and to encourage people to consider a career in the trades.

Among his many roles and endeavors, Mike Rowe is well known from the TV show Dirty Jobs and his voice is recognized by millions from his narrations for hundreds of documentaries about space, nature, and how stuff works. He is also CEO and runs the mikeroweWORKS Foundation, a 501(c)(3) public charity that works hard to debunk myths about the skilled trades and help close the skills gap. The foundation helps to fund training for in-demand skilled jobs through a variety of scholarship programs, and technical and vocational education for trade schools across the U.S.

Mike shared some of his experience and his mission with us recently:

What was your first job?

The first job that generated an actual paycheck was for United Artists, back in 1978. I worked at one of the first multiplexes in the country, at Golden Ring Mall in Baltimore, Maryland. I was an usher, a cashier, a concession worker, and a projectionist.

What projects have you been most proud to work on?

Tough to beat Dirty Jobs. It was not only a hit, it transformed cable television, reinvigorated my career, and began as a tribute to my grandfather. That show checked a lot of boxes. Lately, I'm proud of Returning the Favor on Facebook.

Any embarrassing on-the-job moments you'd like to share?

My humiliations are a matter of public record, and best enjoyed on YouTube. Search for "Mike Rowe and QVC," and brace yourself.

Name a home improvement project you thought you could take on but ended in disaster.

Name one that didn't!

What's one thing you wish every homeowner knew?

I wish people understood how much they could save by making bi-weekly mortgage payments instead of monthly. It's simple, and for most people, doable. An easy way to save a small fortune.

What's mikeroweWORKS Foundation all about?

mikeroweWORKS began as a PR initiative to help close America's skills gap. I launched it 10 years ago on Labor Day. Fans of Dirty Jobs helped me build an online Trade Resource Center, which generated a ton of great press, and got me in front of Congress on multiple occasions. Today, we've morphed into a scholarship fund that assists people looking to learn a skill or master a trade. Every year, we award a few hundred "Work Ethic Scholarships." So far, about \$5 million worth. Additionally, I've become an annoyance to universities that charge obscene amounts for degrees that have left a generation with over \$1.5 trillion of student debt, which I personally feel to be a scandal of monumental proportions. I made an animated video that answers this question in detail at https://www.mikeroweworks.org/sweat/.

Describe our Home Show in one word.

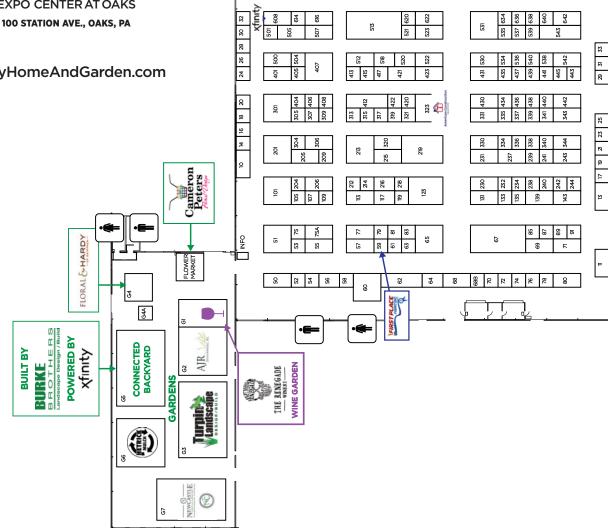

I can't find a word that combines elements of "pandemonium" as well as "delightful." So let's go with "pandelightful.'
