*Sherie Amor Rodriguez,

"This show is a great place to hear what customers want and be able to share how we can help them through their project!"

Elizabeth Costain, UBUILDIT KANSAS CITY

"This was a great show for me!"

*Dan Traxel of Decks,
LIGHTS AND DESIGN BY DAN*

"Our first home show was such a great experience. The other exhibitors were so accommodating and nice. The show team was very helpful and made things so easy and comfortable. Not only was the show a good source for leads, it was also a great arena for networking! We will definitely do more shows in the future!"

*Tamra Smith, BEST KANSAS CITY
REFINISHING*

"I had a great experience."

Daniel E. Stewart II, CABINETS TRIM & PAINT

"Marketplace Events is very well-organized. The accessibility of the show team during move-in and move-out is wonderful—they are very helpful. The show guide they produce does a great job identifying vendors and their booths very well. I can always rely on a qualified audience and good attendance. We've done very well at the shows, and definitely get our money's worth."

Jan Vobornik, ROLOX HOME SERVICES

"The show team is always very professional and accessible on show site and throughout the year. If we have concerns, they are taken care of quickly. Move-in and move-out are always smooth. We definitely get our return on our investment and we know Marketplace Events does what they can to make us successful. We like to be seen, and the home shows allows us to have a branding opportunity to put our company in front of a qualified audience. We've had a great experience and look forward to these shows every year."

*Danielle Jenkerson,
PIERMAGIC FOUNDATION SYSTEMS*

"The shows are well-organized and the show team is very accommodating—quick and

prompt to answer any questions, and they make it easy for us throughout the whole process. I was impressed when they called after the show to make sure we had a good experience. I can always count on a good crowd, with qualified homeowners who are interested in the exhibitors at the show. We loved the venue, and Marketplace Events does a great job making sure the show floor is clean and well-maintained. We definitely get a huge return on our investment and I look forward to the Marketplace Events shows every year. My one complaint is that I'm not able to do more shows."

*Brett Enkelmann,
LEAFFILTER NORTH OF MISSOURI*

"We had a great experience at our first KC Remodel + Garden Show. The environment is fun and interactive. We enjoyed meeting other vendors and introducing homeowners to our company. We scheduled enough consultations to fill our calendar for two weeks and we continue to receive calls from folks who met us at the show. We've already reserved a booth at next year's show!"

Joey Ford, THE BLIND BROKER

"The Johnson County Home + Garden Show was the first home show in which we've participated. We did not know what to expect, however show team was by our side every step of the way. They were extremely professional, informative and helpful. The venue was very spacious, clean, and well-organized. Exhibiting in the show was one of the best decisions we could have made—within the first day the show had already paid for itself! You won't find that kind face to face contact with thousands of consumers anywhere else. We had the opportunity to build brand awareness, gather several quality leads and even made some immediate sales. We were highly pleased with the outcome and will continue to be a part of the show in the future."

*Derrick Hendrix & Jamie Scholdberg,
FLAWLESS TILE & STONE*

"The Kansas City Home Shows have been beneficial in keeping our product in front of consumers. Consistency every year has been the key—we have existing and prospective consumers return each year and they know to look for us for the answers to their questions. We never skip a year—when the customer is ready to buy, they know we'll be there"

Roger Mose, C. M. MOSE & SON INC.
