Appropriate floor covering is mandatory for every booth. This could be carpet, interlocking stone, ceramic tile, linoleum, etc. and must cover the entire surface of your exhibit space. Companies without proper flooring will be made to rent appropriate flooring at their own expense.

Show Management reserves the right to refuse entry or to remove at the exhibitor's expense, any display that is not in accordance with these rules and regulations. If any doubt exists, the exhibitor must provide details and have such exhibits approved by Show Management. Management may require exhibitors to make such alterations to their displays as it deems necessary to the proper conduct of the exhibition and, if failure to comply, may order the immediate removal of the entire exhibit without compensation and at the exhibitor's expense.

Inline booths may reach a maximum of 8' in height. Island booths may be over 8' in height. Perimeter booths may be 10' in height on back wall only. No walls or drape are allowed on the aisle side of the exhibit unless approved in advance by Show Management. If unsure, please contact Show Management prior to set up.
