Randy Spracklin

Presenting on the

SleepCountry
Main Stage

Presented by

Randy Spracklin is a third-generation builder, co-owner of Newfoundland Builders Ltd, and stars in the HGTV Canada series *Rock Solid Builds*. He took over the family business in 2008 and grew it into a major player in the industry. Brigus is where he grew up and now it's where he and his partner are raising their two kids. It's not uncommon for his kids to check in on him while he's at work, and who knows, maybe they'll be next to take over the business. This Newfoundlander is serious about his work, but he

can also be a prankster and knows it's important to have a laugh at work. If you ever get a chance to visit Brigus, there's a lot of catty stuff to see and do, so take in the scenery, check out the shop, and have a yarn, because everything's mint!

Leigh-Ann Allaire Perrault

Presenting on the

SleepCountry
Main Stage

Presented by

Leigh-Ann Allaire Perrault is a TV personality, colour and design expert, and spokesperson for Rust-Oleum Canada. For the past 16 years, Leigh-Ann has been sharing her hands-on approach to DIY and design on Canada's longest running daytime television show, *Cityline*. Her work has gained attention for being unapologetically frugal without sacrificing quality and style, and along with being a regular contributor to various national print publications, her projects have been shared internationally. After spending 6 years as a professor of Colour Theory at Sheridan College, Leigh-Ann is now a sought-after speaker lecturing about colour, DIY, and interior design trends.
