

## EXHIBITOR BILL OF RIGHTS

An Exhibitor Employee may perform work in a booth 600 square feet or less. They can work within the booth using their own ladders up to 6' or hand tools, cordless tools, power tools and other tools designated by the PCCA/SMG.

"Exhibitor Employee" is defined as any person who has been employed by the exhibitor as a full-time employee for a minimum of 6 months before the show's opening date. Proof of employment in the form of a W-2, payroll document or other documentation may be required upon request if deemed necessary by SMG or PCCA management.

**Documentation must be furnished within 24 hours of notification.**

In addition to the work currently performed, exhibitors may also perform the following work within their booth:

Exhibitors **may load and unload** non-commercial automobiles, station wagons, mini-vans, SUV's, and non-commercially registered 4 wheel pick-up trucks or vans

Exhibitors **may use equipment**, including but not limited to, carts, dollies, luggage carriers, 4 wheel flat-bed carts, and 2 wheel hand trucks. The use of any motorized or hydraulic devices is prohibited.

All full-time regular employees of Exhibitors shall be **permitted to connect their personal computers**, computer components, and peripherals for non-public use.

All third-party vendors, including rental companies, contractors, and/or vendors must utilize union workers to install and to dismantle their laptops, desktops and computers.
