The Jefferson station lets off inside the Pennsylvania Convention Center!

Christine Buggy Drake is known as Chief Stew on the Bravo TV reality television show, *Below Deck Mediterranean*, and will be appearing at the Philly Home Show this year! Buggy is notorious for her bubbly personality and passion for planning theme parties as Queen of Theme. In addition to being a TV Personality, she is the author of, *The Art of Tablescaping: Deck Out Your Table with the Queen of Theme*.

At the Philly Home Show, you can expect Buggy to showcase her tablescaping tricks and share inspiration and guides for all things tablescaping. She will create and arrange tabletops that convey a unique theme while sharing advice on decor! Her appearance will be on Saturday, March 26, from 12 to 1 p.m. at the Affinity Furniture booth. Buggy will also be signing books and meeting fans!

Buggy shared some of her experiences and roles with us recently:

Q: What can someone expect you to be doing on *Below Deck Mediterranean*?

Buggy: Most likely impressing luxury yacht guests with my signature tablescapes and over-the-top theme parties, and sharing my style too, which elaborates on my table decor. I almost always add large hoop earrings with my notorious barrettes!

Q: Where are you from originally? Where did you go to college?

Buggy: South Africa. It is where I became a seasoned yachtie! I graduated

with a Bachelor of Arts degree in Film & Media from Saint Mary's University in South Africa.

Q: What has life been like since joining the floating hospitality world in 2013?

Buggy: I have been sailing around the world entertaining wealthy and sometimes celebrities on some of the finest luxury yachts. It has been the best of both worlds!

Q: How would you describe your personality in the show?

Buggy: I am either subversive or showing my class and dignity. I bring a unique combination of professionalism, elegance, and spirit to each charter! Throughout the glamor, I have learned to smile and wave. My smile lines have become permanent if unwanted, fixtures on my face!

Q: Why do you think you are so popular on the show?

Buggy: Aside from my character, I think it is my authentic love for elaborate table settings and outrageous theme parties, complete with ridiculous costumes, of course, that continues to charm my demanding consumers and TV viewers alike.

Q: What can someone find in your novel, *The Art of Tablescaping*?

Buggy: I share all my secrets for creating showstopping table settings and unforgettablely enchanting events. I had my direct attention for nearly a decade working with the most exclusive yachts and private islands in the world. With that, I share my best entertaining tips, décor inspiration, and step-by-step guides for creating world-class dining adventures!

Q: What principle do you live by the most?

Buggy: The principles of kindness! I also try to stay positive in every situation.
