It has been sold for development and we are no longer able to rent it. The new check-in lot is Lot G, formerly exhibitor parking, located on W South St near the corner of S Dawson St. Please refer to the Parking section of this manual for information on parking.

PLEASE NOTE: All accounts must be paid in full prior to move-in. For safety reasons, no one under the age of 16 is permitted in the halls or dock areas during move-in/out.

Move-In Dates/Time

If you need to drive into the convention center in order to move into your booth, you must check the Drive-In Schedule for your assigned window (posted on the Exhibitor Kit section of the website under Move-In). EXHIBITOR BADGES

Exhibitor badges are NOT mailed out prior to the show. Badges can be picked up in the Show Office (room #206) during move-in and during show hours. Plastic badge holders are provided.

Exhibitor badges are required to identify you as an authorized exhibitor. Exhibitors will not be allowed access to the show floor during move-in or show days without a badge.

Six (6) exhibitor badges are provided for each 100 square feet of space purchased, with a maximum allotment of 24 badges per company.

If you have different staff members working your booth on different days, you are encouraged to drop off your badge each night in the Show Office (room #206), so that your company does not run out of badges during the show.

IMPORTANT NOTE: Exhibitor Badges must not be used as admission passes for guests and may not be left at Will Call for attendees. Please use your Exhibitor Tickets to invite guests to the show.

SHOW OFFICE

During move-in, show hours and move-out, Show Management will maintain a show office in the Convention Center. The office is located in meeting room 206 (on the mezzanine above the exhibit hall). Look for the show office sign.

EXHIBITOR ENTRANCES DURING SHOW HOURS

During show hours, exhibitors may use the main entrances to the Raleigh Convention Center. An exhibitor badge will be required to enter the show floor. The main entrance is for attendees and gets very crowded prior to opening each morning. You will not be allowed to bring in exhibit supplies through this entrance, including hand-carried items.

COMPLIMENTARY TICKETS

Each exhibitor will receive 10 complimentary tickets for each 100 square feet of space purchased with a maximum allotment of 40 tickets. These will be mailed out three weeks prior to the show. Tickets will only be mailed out if your account has been settled in full. If your mailing address has changed since the last time you exhibited with us, please be sure to notify your Exhibit Sales Consultant at least 30 days prior to the show. We are not responsible for replacing tickets mailed to previous addresses.

PLEASE NOTE: These complimentary tickets are **not permitted to be distributed at the show entrance**. Use your tickets to invite potential customers to the show, as a thank you to good customers or for friends and family.

WILL CALL

Will Call will be set up in the show office, which will be utilized by consumers to pick up the tickets that have been reserved for them. Staff will be at Will Call at all times to hand out complimentary tickets for exhibitor family, friends and prospects. Please plan to leave your tickets in individually marked envelopes with your guest's first and last name on the front and the tickets inside. They will be filed by last name at Will Call.

IMPORTANT NOTE: Exhibitor Badges must not be used as admission passes for guests and may not be left at Will Call for attendees. Please use your Exhibitor Tickets to invite guests to the show.

Please refer to parking maps at the end of this manual. There is no parking available at the McLaurin Lot, as it has been sold for development and was unavailable for rental as it has been in the past. **Please do not park in the McLaurin Lot or you may be towed at**

your expense. A map of available parking lots around downtown is available on the [Exhibitor Kit](#) section of our website.

BOOTH INFORMATION, RULES & REGULATIONS

Exhibit booths will have an 8' draped back wall. On each side, a draped side rail will extend from the back of the booth to the front of the booth at a height of 32". The drape color is black. **Tables, chairs, and utilities are not included with the cost of your exhibit booth.**

Flooring

Flooring is not included in the cost of your exhibit booth. **It is mandatory that all booths are carpeted** or have some type of clean, professional-looking, safe floor covering that covers 100% of the booth's square footage.

Table Skirting

It is mandatory that all tables are properly skirted. Skirting must go from the edge of the table to the floor on all four sides. All skirting must be pressed and neat. Use of plastic table cloths, sheets, shower curtains or any type of

“makeshift” table cloths is **not permitted**. We strictly enforce this and will skirt all incorrectly skirted tables at the exhibitor’s expense.

Inventory

All inventory and personal items must be stored completely out of sight. Your booth should look professional and inviting to the attendee.

Staffing Your Booth

All exhibitors are expected to be in their booths during all published show hours, as we do receive consumer complaints about un-manned displays. Our visitors pay an entrance fee and expect to be able to do business with our exhibitors at any time during show hours. If you are in violation of this rule, your company may not be permitted to exhibit with us in the future.

Working in the aisles or distributing brochures, etc. from any other area other than your booth is prohibited. All activity must take place inside your contracted space.

Booth Guidelines

Exhibitors are allowed to build their booth to the maximum height of 8 feet. This includes back wall and sidewalls. If your display includes a sign attached to the back wall, you must get approval from show management and the following rules apply:

- Total height of sign must not extend higher than 2’ from the top of the 8’ drape line (10’ high maximum)
- Sign must be single sided
- Professionally finished (as a courtesy to your neighboring booths)
- No PVC pipe allowed
- **Tents and canopies are strictly prohibited—do not set them up; you will be required to take them down.**

Side walls must be completely finished on BOTH sides. No logos, exposed wires, frames, wood must be exposed for the public or your neighbor to see.

SECURITY

Security is provided by the Raleigh Convention Center and guards will be on duty throughout the event. Every reasonable precaution will be taken to protect exhibitors' property, but Show Management assumes no responsibility for any losses due to fire, theft, robbery, damage, accident or other causes.

INSURANCE

Show Management is insured against public liability and property damage claims arising out of the conduct of the show. This insurance does not cover exhibitors' property, which is placed on display at the exhibitor's risk. Please refer to items #4 and 5 on your exhibitor contract/application or contact Show Management if you have questions.
