Signs hung from the ceiling must be 11' from the floor to the bottom of the sign and 3' less than your booth width. All signage must be single sided, face the aisle in front of the booth and cannot be attached directly to the top of the back wall. It must be completely within the cubed boundaries of the rented space and must be finished when facing into a neighbouring exhibit. For any signage printing, management has appointed GES as sign contractor. Cost of banner hanging is the responsibility of the exhibitor and must be ordered through Calgary Stampede Event Services.
