Bryan Baeumler

HGTV Canada Celebrity Contractor
Bryan doesn't believe he's put in an honest day's work unless he gets his hands dirty. A natural-born teacher, the Gemini-award winning host has been educating and entertaining viewers across Canada and the US since 2007 on the hit shows Disaster DIY, Canada's Handyman Challenge, Leave it to Bryan, and House of Bryan, Bryan Inc. Bryan's quick wit and easy-going personality have made him a huge hit with viewers on all of his home renovation shows.

Learning valuable tricks of the trade from his father, a meticulous aircraft engineer, Bryan spent his childhood summers building his family's cottage from the ground up. After earning a dual degree in Political Science and Business, Bryan was headed towards a career of practicing law. Realizing he'd rather be renovating than being chained to a desk, his innate passion for building took over and he traded in his tie for a tool belt and founded Baeumler Quality Construction.

A few kids and number of hit TV shows later, Bryan continues to tackle home renovation projects, be the spokesperson for numerous products and expand his growing businesses to include Baeumler Approved and Baeumler Custom Cabinetry.

Thrift Flips

If your home is calling for a refresh but your wallet is screaming "maybe not", you're not alone. A home reno doesn't always have to mean sledgehammers, demolition, and mess. Take the stress out of refreshing and renovating a space with inspiration from some of YYC's DIY experts! This DIY living space is created entirely with innovative approachable projects you can "do-it-yourself" featuring secondhand items. It's time to roll up your sleeves, and get upcycling!

Backyard Wars Competition

The white picket fences are coming down! The "steaks" are higher in this friendly neighbourhood competition: Backyard Wars. Three local landscapers will be using their design genius to battle it out for a \$1000 cash prize or free booth space at the 2023 Home + Garden Show! You can help sway the judges, vote for your favourite landscape design to help crown the best backyard space at the fifth annual Backyard Wars. After all...a little competition never hurt!

Help Desk

Need some help finding your way around the show? Want to know what time your favourite stage presenter is on at or looking for some good eats at the show? Chat with an expert at the Help Desk located by the Hall E entrance.

VanLife

It's not just your next outdoor adventure, it's your entire life on wheels! The latest craze in insta-worthy minimalism, has driven onto the show floor. VanLife will inspire you to take your family on the road and never look back. From maximizing the most of your space, (including secret compartments for storage!) to creating a chef inspired kitchen to cook up your favourite recipes between stops, it's time to imagine living an adventurous lifestyle (even if it is just for a weekend getaway!).
