## 2023 Backyard Wars Competition

The white picket fences are coming down! The "steaks" are higher in this friendly neighbourhood competition: Backyard Wars. Local exhibitors will be using their design genius to battle it out for a \$1000 cash prize or free booth space at the 2024 Home + Garden Show! You can help sway the judges, vote for your favourite backyard design to help crown the best space at the Backyard Wars Competition. After all...a little competition never hurt!

### Randy Spracklin

Randy Spracklin is a third-generation builder, co-owner of Newfound Builders Ltd, and stars in the HGTV Canada series *Rock Solid Builds*. He took over the family business in 2008 and grew it into a major player in the industry. Brigus is where he grew up and now it's where he and his partner are raising their two kids. It's not uncommon for his kids to check in on him while he's at work, and who knows, maybe they'll be next to take over the business. This Newfoundlander is serious about his work, but he can also be a prankster and knows it's important to have a laugh at work. If you ever get a chance to visit Brigus, there's a lot of catty stuff to see and do, so take in the scenery, check out the shop, and have a yarn, because everything's mint!

### Emma Terrell

Emma Terrell is The Urban Botanist! Born and based in Ottawa, Canada, Emma created to this unique online brand and experience to reconnect people with nature. She believes in the benefits of interacting with nature and working to change interior spaces, lifestyle, mentality, and health! She has spent the past 6 years as an international speaker, offering workshops on plant care, pausing with plants, terrarium workshops, and so much more. She designs, fabricates and installs VERTICAL GREEN WALLS....the latest trend in the interior biophilic design world being moss walls. Check her out on her social media pages with over 50K followers and 2 million views to learn more about The Urban Botanist, and how you can get excited about engaging with nature. You can also see her speak live on stage with a fresh perspective to the hobby of horticulture. Emma's science-based background and creative approach works to inspire people to interact with nature in an urban setting. With thoughtful practice, gardening, workshops and demonstrations, she hopes to inspire and educate plant parents around the world!

### Megan GoLightly

Presented by

WOODRIDGE  
LINCOLN

When your life is simplified and decluttered, you can enjoy the small moments. Megan Golightly loves what she does and has been doing it for 14 years. She has a passion for problem solving, organizing projects big and small, and working with families to see their homes and lives transformed. Her goal is to help you feel at ease in your home and eliminate the negative feelings you may have about your clutter. It's often hard work but worth it! Megan holds a degree in Psychology and on-going study in Neuroscience peaked her curiosity on how the brain works in relation to the spaces in our homes. It's unhealthy to have nagging critical thoughts about the state of our homes. Whether or not we believe these words, our subconscious mind does. Deciding how and where to start can be paralyzing. Megan can help motivate, inspire and uncover the psychology of organizing. You can find Simplified's Instagram account full of tips, tricks, how-tos, before and afters and more!
