Prime Osborn Convention Center

March 5-8, 2020

Dear Exhibitor,

Hale Northeastern is pleased to have been selected as the official show decorator for the [Jacksonville Spring Home & Patio Show](#) being held [March 5-8, 2020](#) at the Prime Osborn Convention Center.

Hale Expo Services is now proud to offer the convenience of online ordering as an option to our exhibitors.

If you still wish to download and print a hard copy of our exhibitor manual, that option is still available as well. How to access both options are described below.

How To Use Our New System

- Our new system is 100% pci compliant and as such, our online ordering server will generate and send you a temporary secure password to an email address that you provide us. Since the password is generated automatically through the system, we do not have access to the password that you have chosen. If you forget your password, we can send a reset command to our server to send you out a new temporary link.
- Please send an email to csr@haleexpo.com with the show name, company name, contact name and email address that you would like a link to be sent to and our Customer Service Department will send a command to our online ordering server to send a secure email link and temporary password to the email address provided.
- When you click the link in your email, you will be taken to our ordering server and it will prompt you for your temporary password and then it will prompt you to enter your own new password. Please follow instructions as indicated.
- Once you are logged into the system, you can order online directly through the web storefront or if you wish, there will be link on the left-hand side that will be labeled "Exhibitor Service Kit". You can click on that link to download and print a pdf version of our order forms and fax it to (716) 896-8908 or you can mail in to:

Hale Northeastern, Inc.
828 East Ferry Street
Buffalo, NY 14211

Note: By providing Hale Northeastern Inc. with your email address, you are giving Hale Northeastern, Inc. permission to send you important information about the show in which you are exhibiting (i.e. advance order deadline date approaching, shipping deadline date approaching etc) along with information about the services we offer via the email address you provided. Hale Northeastern, Inc. does not and will not sell or share your email address with any third parties.

To realize substantial savings, order online or with your order forms on or before [February 20, 2020](#).

EXHIBIT SPACE DETAILS

Standard Inline Exhibit Booths

Each standard inline pipe and drape exhibit booth(s) will be defined by 8' tall **SOLID BLACK** back-drape with 32" tall **SOLID BLACK** dividing drape and will be identified by a 4" x 7" booth number.

Peninsula / End-Cap Exhibit Booths

Each peninsula bulk area or end-cap exhibit booth will be defined by tape lines on the floor and will have a 10' wide wall of **SOLID BLACK** back-drape centered at the rear of the exhibit space. A 4" x 7" booth number will be installed on the back drape to identify the space.

Please note, peninsula / end-cap exhibit booths do not have a full wall of back-drape. Exposed unfinished booth structures (i.e. back side of a popup display, unfinished wall structure or any other unfinished surface) facing adjacent exhibit booths is not permitted. It is the responsibility of the exhibitor who has an unfinished booth structure to provide suitable masking of the unfinished surface. Masking drape is available on enclosed Carpet/Special Background Drape order form for this purpose.

Bulk Exhibit / Island Booths

Each island bulk area exhibit booth will be defined by tape lines and will be identified by a number written in chalk on the floor.

Please note, bulk exhibit spaces do not come with any pipe and drape. Masking drape is available on enclosed Carpet/Special Background Drape order form for this purpose.

Booth Carpeting / Flooring & Table Skirting

Marketplace Events requires all exhibit spaces to be carpeted or have approved professional flooring and all tables to be covered or skirted with approved skirting. Approved carpeting and table skirting can be ordered on the enclosed order forms.

AISLE CARPET DETAILS

All aisles will be carpeted with **Tuxedo (black & white speckled)** colored carpet.

VERY IMPORTANT: Because the aisles and the aisle carpet are exactly 10' wide, it is very important that all items are kept entirely within the exhibit space defined by tape lines on the floor and / or pipe and drape boundaries. This will ensure that aisle carpet can be rolled out without encountering any obstruction from exhibits protruding outside of their designated exhibit area. Exhibits extending beyond their space will be assessed a cut and lay charge for any aisle carpet that will be destroyed because of this infraction.

MOVE-IN DETAILS & PROCEDURES

Hours of Operation

Exhibitors will be allowed to move-in without condition during the published show schedule. All forklift move-in services provided by Hale Northeastern will start at 8:00 AM and end at 5:00 PM each day of the scheduled move-in.

After 5:00 PM on scheduled move-in days, exhibitors may be granted extended time to continue setting up their exhibit space on approval from Marketplace Events. If permission is granted, exhibitors can continue in and out move-in through open facility doors until 7:00 PM. Please note, only select doors will remain open after 5:00 PM.

At 7:00 PM exhibitors can continue to work in their exhibit space but no in and out access through any facility doors will be permitted. Once an exhibitor exits the facility after 7:00 PM, re-entry will not be permitted.

Free Forklift Service / Flat Cart Usage

A Freight Service Desk will be located on the loading dock and running during all officially scheduled move-in and move-out hours. The Freight Service Desk will allow exhibitors to check-in for free forklift service or obtain a flat cart that they can use to help them move their equipment from the loading dock to their exhibit space or vice versa.

Show Management will provide 20 minutes of free forklift and service to exhibitors arriving in personally owned vehicles (defined as cars, pickup trucks or minivans). Exhibitors requiring more than 20 minutes of assistance will be required to place an order for General Labor or Forklift Service with Hale Northeastern, Inc. at Hale Service Desk located on the show floor.

In order to schedule free forklift service, exhibitors must check-in directly at the Freight Service Desk. For efficiency purposes, free forklift service can not be ordered in advance and will not be scheduled until the exhibitor and shipment have arrive onsite and are ready to be unloaded or loaded. Free forklift service orders will be fulfilled in the order in which they are received.

A total of 10 flat carts will be available to exhibitors to assist them during move-in or move-out. If a flat cart is required, exhibitors must have all their equipment ready to move and they must check-in with the Freight Service Desk representative to check-out a cart. There is no charge for this service, however a driver's license or credit card will be held as collateral until the cart is returned to the Freight Service Desk.

Flat carts will be distributed in the order in which the requests are received. For efficiency, flat carts will not be checked out in advance but instead **ONLY** when exhibitor equipment has arrived on show site or when equipment is packed and ready to go.

Free Forklift Service Limits

Free forklift service is not extended to shipments arriving by UPS, FedEx, Common Carrier or any other over the road shipping provider. These shipments fall into the category of Material Handling and can be ordered on the enclosed Material Handling Order forms (also see Material Handling below).

MOVE-OUT / CLOSE OF SHOW DETAILS & PROCEDURES

Immediately after the show closing announcement, all children must vacate the show floor before any move-out can begin. Hale Northeastern will immediately begin to roll aisle carpet as soon as all children are off the show floor. To expedite removal of the aisle carpet, please do not place any items on the aisle carpet as this will delay the move-out procedure for everyone. As soon as the aisle carpet is rolled, overhead and dock basin doors will be open at which time move-out can begin. Please note, the "all clear" for door opening can take as long as 30 minutes to an hour after the closing of the show. It will significantly shorten the time of the process if all exhibitors and exhibit material remain inside the exhibit space(s) until the overhead and dock basin doors are open.

Once the doors have been opened, Hale Northeastern will begin to distribute the empty containers for those exhibitors who had empty containers stored during the show. Depending upon the number of items in storage, this process can take one to three hours after empty container distribution begins.

All items must be removed from the show floor by 12:00 PM on [Monday, March 8, 2020](#). The Prime Osborn Convention Center, with Hale Northeastern, reserves the right to confiscate any displays still on property after this time. Marketplace Events, Hale Northeastern, Inc. and the Prime Osborn Convention Center are not responsible for exhibit items left on the show floor after this time.

At the close of the show, it is the exhibitors' responsibility to make sure that all debris and waste is removed from the area occupied by their exhibit space. Waste must be disposed of properly in the appropriate containers that will be distributed around the show floor or loading dock area. Exhibitors that fail to comply will be billed for cleaning on a per hour basis.

MATERIAL HANDLING

All shipments arriving on show site from UPS, FedEx, Common Carrier or any other over the road shipping provider fall under the category of Material Handling. There is a charge for this service and Hale Northeastern, Inc. is the exclusive provider of this service. The charge covers the signing and handling of shipments received at the advanced warehouse or at the exhibition facility. All fees and material handling instructions are detailed on the enclosed Freight Handling Form.

To remain compliant with with Insurance and OSHA regulations, onsite deliveries sent without acknowledgment will be refused. Additionally, exhibitors are not allowed to directly receive, enter or unload freight sent from a commercial carrier (UPS, FedEx, DHL or any Common Carrier) that arrives directly to the exhibition facility.

Insurance coverage of your shipment must be effective from the time your equipment leaves its point of origin until its return to its final destination after the event. Acceptable File Formats For Artwork

Vectorized Artwork – is the preferred format for artwork containing logos and fonts because it allows for exact reproduction without any loss of quality. These files are commonly produced with programs such as Adobe Illustrator or Corel Draw. Common file extensions for Vectorized artwork are: .eps, .pdf, .ai or .cdr

Rasterized Artwork – is the preferred choice for photo reproduction. Raster images can be resized only with the amount of information contained within the image. Higher resolution images will scale up better than low resolution images. To prevent unsatisfactory results, Hale Northeastern, will not use web images for reproduction on signage. Common file extensions for rasterized images are: .psd, .tif, .jpg (although .eps and .pdf can also contain raster images)

Please note, .eps and .pdf can also contain raster images as well (less preferred).

If you need a quote for specific services or would like to speak with one of our graphic artists, please call us at 800-333-4253 and ask for the Sign Department
