EXHIBIT SPACE DETAILS

Standard Inline Exhibit Booths

Each standard inline pipe and drape exhibit booth(s) will be defined by 8' tall **SOLID BLACK** back drape with 32" tall **SOLID BLACK** dividing drape and will be identified by a 4" x 7" booth number.

Peninsula / End-Cap Exhibit Booths

Each peninsula bulk area or end-cap exhibit booth will be defined by tape lines on the floor and will have a 10' wide wall of **SOLID BLACK** back drape centered at the rear of the exhibit space. A 4" x 7" booth number will be installed on the back drape to identify the space.

Please note, peninsula / end-cap exhibit booths do not have a full wall of back-drape. Exposed unfinished booth structures (i.e. back side of a popup display, unfinished wall structure or any other unfinished surface) facing adjacent exhibit booths is not permitted. It is the responsibility of the exhibitor who has an unfinished booth structure to provide suitable masking of the unfinished surface. Masking drape is available on enclosed Carpet/Special Background Drape order form for this purpose.

Bulk Exhibit / Island Booths

Each island bulk area exhibit booth will be defined by tape lines and will be identified by a number written in chalk on the floor. Please note, bulk exhibit spaces do not come with any pipe and drape. Masking drape is available on enclosed Carpet/Special Background Drape order form for this purpose.

Booth Carpeting / Flooring & Table Skirting

Marketplace Events requires all exhibit spaces to be carpeted or have approved professional flooring and all tables to be covered or skirted with approved skirting. Approved carpeting and table skirting can be ordered with the enclosed order forms.

Carpeted Areas:

- Room 101 will contain the 100 Series of Booths. This room is permanently carpeted
- The Ballroom will contain the 200 Series of Booths. This room is permanently carpeted.
- Room 106 will contain the Decorating Ideas Center and 300 Series of Booths. This room is permanently carpeted.
- The Main Exhibit Floor, located on the upper level of the BNCC, will contain booths 400-1100. **These booths do not include carpeting. Aisles only will be carpeted in SPECKLED BLUE. Note: Carpeting or Professional Flooring, approved by Marketplace Events, is required in each exhibit space.**

AISLE CARPET DETAILS

All aisles will be carpeted in [Speckled Blue](#).

VERY IMPORTANT: Because the aisles and the aisle carpet are exactly 9' wide, it is very important that all items are kept entirely within the exhibit space defined by tape lines on the floor and / or pipe and drape boundaries. This will ensure that aisle carpet can be rolled out without encountering any obstruction from exhibits protruding outside of their designated exhibit area. Exhibits extending beyond their space will be assessed a cut and lay charge for any aisle carpet that will be destroyed because of this infraction.

MOVE-OUT / CLOSE OF SHOW DETAILS & PROCEDURES

Immediately after the show closing announcement, all children must vacate the show floor before any move-out can begin. Hale Northeastern, Inc. will immediately begin to roll aisle carpet as soon as all children are off the show floor. To expedite removal of the aisle carpet, please do not place any items on the aisle carpet as this will delay the move-out procedure for everyone. As soon as the aisle carpet is rolled, overhead and dock basin doors will be open at which time move-out can begin. Please note, the "all clear" for door opening can take as long as 30 minutes to an hour after the closing of the show. It will significantly shorten the time of the process if all exhibitors and exhibit material remain inside the exhibit space(s) until the overhead and dock basin doors are open. Once the doors have been opened, Hale Northeastern will begin to distribute the empty containers for those exhibitors who had empty containers stored during the show. Depending upon the amount of items in storage, this process can take one to three hours after empty container distribution begins.

All items must be removed from the show floor by 12:00 PM on **Monday, March 14, 2022**. The Buffalo Niagara Convention Center, with Hale Northeastern, Inc. reserves the right to confiscate any displays still on property after this time. Marketplace Events, Hale Northeastern, Inc. and the Buffalo Niagara Convention Center are not responsible for exhibit items left on the show floor after this time.

At the close of the show, it is the exhibitors' responsibility to make sure that all debris and waste is removed from the area occupied by their exhibit space. Waste must be disposed of properly in the appropriate containers that will be distributed around the show floor or loading dock area. Exhibitors that fail to comply will be billed for cleaning on a per hour basis.

Acceptable File Formats For Artwork

Vectorized Artwork – is the preferred format for artwork containing logos and fonts because it allows for exact reproduction without any loss of quality. These files are commonly produced with programs such as Adobe Illustrator or Corel Draw. Common file extensions for Vectorized artwork are: .eps, .pdf, .ai or .cdr

Rasterized Artwork – is the preferred choice for photo reproduction. Raster images can be resized only with the amount of information contained within the image. Higher resolution images will scale up better than low resolution images. **To prevent unsatisfactory results, Hale Northeastern, will not use web images for reproduction on signage.** Common file extensions for rasterized images are: .psd, .tif, .jpg (although .eps and .pdf can also contain raster images)

Please note, .eps and .pdf can also contain raster images as well (less preferred).

If you need a quote for specific services or would like to speak with one of our graphic artists, please call us at 800-333-4253 and ask for the Sign Department
