BUFFALO NIAGARA CONVENTION CENTER – INTERNET

SYSTEM INFORMATION:

- 1) Free basic WIFI is available throughout the facility as a convenience to our guests.
- 2) All users must authenticate on our wireless or wired data systems using either the access code that has been provided by purchasing services using their web browser and a major credit card. Once authenticated, the MAC address of the user's device will stay on file through the duration of the time they've purchased.
- 3) If you are having trouble connecting, please go directly to the Information Desk in the lobby for assistance.
- 4) The Buffalo Niagara Convention Center has networking professionals available to meet with you prior to your event if you have needs that fall out of the scope of this form. This includes onsite office/server setups, network devices (printers, scanners, POS terminals, handheld devices, credit card machines), custom VLANs, VPNs, SSIDs, bandwidth reservation, traffic prioritization/QoS, lab setups, etc. Please let us know and we'll be happy to build a custom implementation that suits your needs.
