# CELEBRITY GUESTS

Come see our celebrity guest's in-person on the Fresh Ideas Design Stage for tips, tricks, and expert advice.

## Kevin O'Connor

is the host of the Emmy Award-winning series, *This Old House* and *Ask This Old House*. He has appeared on the two shows since 2003 and serves on the editorial board of *This Old House* magazine. Kevin is also the host of *This*

*New House* airing on the DIY Network and host of *History Through Your House* airing on the History Channel's H2 network.

Kevin, along with his four brothers and two sisters, grew up on various job sites led by his father, a civil engineer. Years later he remains an avid home enthusiast. When Kevin, a lifelong fan of *This Old House*, and his wife, Kathleen, were renovating their 1892 Queen Anne Victorian they sent an email seeking advice from the *Ask This Old House* experts. To their surprise and delight, the house call served as Kevin's first screen test to serve as the new host (the third host in the history of the pioneer home improvement series).

Prior to his television career, Kevin practiced finance and most recently was a Senior Vice President at Bank of America in the Commercial Real Estate Group. Kevin received a BA degree in history from the College of the Holy Cross and a MBA degree from Boston University. He lives in Massachusetts with his wife and three children. APPEARING ON FRIDAY AND SATURDAY.

## Joanie Sprague

is best known as the first runner-up on *America's Next Top Model* cycle 6. Her career has taken her all over the world but has always brought her back to the basics. After *America's Next Top Model*,

she co-hosted DIY Network's *Run My Renovation* where she got to build, renovate and show her skills as a carpenter.

Joanie will soon be seen in the reboot of *Trading Spaces*, the television home design series that launched a TV genre, returning to America's living rooms on Saturday, April 7, 2018 on TLC. Joanie is one of two new carpenters to the show, joining legacy carpenters Ty Pennington and Carter Oosterhouse.

Joanie got her first taste of construction and handyman skills as a child, helping her dad around the church. She loves to get her hands dirty and jump right into exciting construction projects; her goal is to help other women tackle projects at home by themselves. She was also appeared on *Mancaves*, *Yardcore* and *Built to Shred*. APPEARING ON FRIDAY, SATURDAY AND SUNDAY.

## HERO DAY

All active and retired fire, police, military personnel, and teachers will get FREE admission with valid ID on Hero Day, Friday, March 23.
