- 1) **COMPLETE THEIR TECHNICAL PROFILE :**
(Details relating to the booth set-up and dismantle)
- 2) **CHOOSE /PRINT THE DELIVERY / PICK-UP SCHEDULE**

The deliveries with reservation, during the periods concerned, will have the priority of access to the loading dock. Please note that the reservations site will be online until the Friday before the move-in period - <http://sumlogin.com/snh>. Exhibitors without reservation may have access depending on the availability of space. Otherwise, because **there is no waiting area**, vehicles will have to leave the premises and agree on a delivery / pickup period with the SUM team on site.

MOVE-IN: DELIVERY OF EXHIBITS AND SET-UP

In order to avoid congestion and / or delays, exhibitors must comply with the schedule they have chosen themselves, and unload their exhibit material as quickly as possible. The vehicles must leave the loading dock area immediately, once the goods are removed or loaded, **WITHOUT EXCEPTION**. The loading dock will be accessible at all times during move-in / move-out, but deliveries will be kept to a minimum on Thursday, March 8 and Friday, March 9, these days being dedicated to the general layout of the show.

Forklift handling services are available, free of charge, to unload and load heavy goods (during move-in and move-out). However, the service must be reserved via the operations site - <http://sumlogin.com/snh>. Any operation that requires handling services for assembly and / or placement in the booth space is at the exhibitor's expense (see GES Purchase Order for Service Reservation). The same rules apply for dismantling of the booth.

Exhibitors must ensure **the set-up of their booth within their rented space**. They are also required to use an easy-to-remove tape to retain the floor covering, failing which a cleaning fee may be charged to the exhibitor.

All booths must be completely installed by 6:00 P.M. Thursday March 8, 2018, to allow cleaning of the exhibit hall and installation of the aisle carpets.
