

SHOW ME THE MONEY!

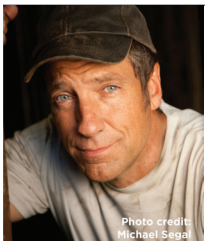

Dear Exhibitor,

For the first time, Marketplace Events, producers of the Minneapolis home shows, will pay your company commission (\$1/ticket) for any online tickets you sell using your exclusive promo code.

Participation is easy! Follow these five simple steps:

1. Contact your exhibit sales consultant and let them know you want to participate.
2. We'll provide you with an exclusive promo code for you to include in your advertising, tweet, post, email, promote however you can!
3. Start selling!
4. After the show you will receive a report showing how many tickets were sold with your promo code.
5. If you sell a minimum of 25 tickets, we'll pay your company \$1 for every ticket sold with your promo code.

Thank you for participating. If you have any questions feel free to call us.

"There's really no place like these shows that puts you face to face with qualified homeowners. With so many companies struggling to find workers, getting the right jobs has never been more important."
