SHOW HIGHLIGHTS

Zuzu Bailey from "It's a Wonderful Life" Returns with a New Cookbook

In 1946, people all over the country fell in love with little Zuzu Bailey, played by Karolyn Grimes, in the Christmas classic "It's a Wonderful Life," starring Jimmy Stewart and Donna Reed. In celebration of the 75th anniversary of the movie, Citadel Press in New York has released "Zuzu Bailey's It's A Wonderful Life Cookbook," a collaboration between Grimes and publicist and author Franklin Dohanyos.

The cookbook is filled with delicious stick-to-the-ribs family recipes from both authors and some of the actors from the movie, plus interviews with people from the movie, trivia, anecdotes and stories, all new photos, memories and more.

From savory main courses to festive desserts, there are 250 recipes inspired by life in the fictional town of Bedford Falls, including: Zuzu, My Little Ginger Snap Cookies; Violet Bick's Spicy Chicken; Henry Potter Pot Pie; Fifty Cents On The Dollar Chuck Roast; Harry Bailey's Hero Sandwich; and Buffalo Gals Beef Stew.

The new cookbook is a complete overhaul of the first version published in 1996. This book has more interviews with people from the movie, plus Frank Capra's granddaughter, Donna Reed's daughter, and others. It's a fun book, and the recipes are delicious!

Karolyn Grimes is traveling the country to meet people of all ages, sign autographs and share stories from her life in the movies, especially "It's a Wonderful Life."

You can meet Zuzu in Booth 499.

Uncork with Official Winery Sponsor Daniel's Vineyard

The chance to enjoy some delicious new wines is yours at this year's Christmas Gift + Hobby Show with official winery sponsor Daniel's Vineyard.

"The Gift + Hobby Show has always been an event we have frequented as a family, which makes it even more special to participate this year as a vendor," said General Manager Jessica Pontius. "We are honored to be the official winery sponsor and for the opportunity to introduce our wine to attendees who have not yet tried Daniel's Vineyard wine."

Daniel's Vineyard is a local, family-owned winery and vineyard. Its story began when owners Daniel and Kimberly were on vacation with their five children in Italy, where the idea to plant a vineyard was sown in the Tuscan foothills. When they arrived back to the states, the Cook family began to put their dream into action. In 2010, more than 14,000 grape vines were cultivated into the Indiana soil by family, friends and neighbors. As the vines have flourished over the years, so has the Daniel's Vineyard community. Today, Daniel's Vineyard is a full production winery that offers a private wine club and event venue for any occasion.

"Our wines range from sweet to dry, making it easy for our customers to find many options that fit their palate," Pontius said. "Our selection is always changing, but currently we have more than 20 varietals with the majority being 'estate wines,' which are made from the grapes we grow at our local, Geist-area vineyard."

What will Daniel's Vineyard be offering at the Gift + Hobby Show? A lot! That includes some new wines, such as their mulled sangria, as well as their new Pawty Pack.

"The Pawty Pack is a 12-pack of canned wine with three different varietals and 12 distinct cans, each featuring a painting of a dog by our family artist, Jenna Cook. This amazing gift idea is equivalent to six full bottles of wine!

We have partnered with the Hamilton County Humane Society to raise funds for their mission, and hopefully we can help get a few pups a forever home before Christmas. In addition to the Pawty Pack, we are excited to announce our Fireside Sangria, which is a warm and cozy mulled wine sangria, and our Circle City Holiday Red wine."

There's certainly something for everyone. Even if you don't drink wine, there are great gifts for your wine-drinking friends and family this holiday season.

SHOW HIGHLIGHTS

Cherie's Favorite Finds

Cherie Lowe, the Queen of Free, is known for sharing freebies and strategies for everyday savings along with inspiration for those pursuing a debt-free life. Cherie has appeared on WTHR-TV as a savings expert, and she's been featured in The Wall Street Journal and on Yahoo Finance.

Cherie selected her top five favorite finds from this year's Christmas Gift + Hobby Show! See below for details on each find and where to find them at the show!

1. Torch and Stars Crewneck by United State of Indiana

- Booth #594 (\$40): This essential wardrobe piece tops my Christmas wish list this year! What Indiana girl wouldn't want a cozy and well-made crewneck produced by a company that cares and is based in the Hoosier state?! The inks United State of Indiana uses don't crack or fade, guaranteeing you'll have a special gift for someone (or yourself) that keeps on giving for years to come.

2. Tea Towels by Green Bee Tea Towels - Booth #669 (\$10 each or 3 for \$25):

What a great everyday use gift idea for friends! Not only are these towels handprinted in the Heartland, but there are a variety of fun designs to choose from. And best of all, they're made to be used again and again, not just hang on a decorative towel rack. You can bring a smile to someone cleaning up life's messes each time they use these fun 100% high-quality tea towels. Consider buying a few to keep on hand for last-minute, yet significant gifts.

3. Jammie Claus Book Set - Booth #549

(\$34.95): Start a new family tradition with this special holiday book set by the Jammie Claus Company! Read a beautiful storybook about Mrs. Claus's special Christmas Eve mission of lovingkindness. Giving off serious Rosie the Riveter vibes, Mrs. Claus rolls up her sleeves to raise up others each year. And she gets her moniker Jammie Claus by leaving Christmas jammies for others. This set includes a gift box and a special velvet bag along with a well-made storybook. After reading the tale, "Jammie Claus" hides Christmas jammies in the special velvet bag so kids can wear them as they excitedly await Santa's arrival.

4. Organic Whipped Body Butter, Scrubs, Body Oil and more by Tailor Beauty - Booth #393 (\$12-60):

No matter your budget, you're certain to find a gift that makes that special someone feel like they've visited the spa this holiday season. Choose from more than 10

SHOW HIGHLIGHTS

scents — Snickerdoodle and Peppermint sound wonderful to me! You'll find a variety of organic products, including body butter and scrubs, oat scrubs, macadamia-infused scrubs and more!

5. Hooded Character Towels by KrazyKatStitches - Booth #557 (\$30):

Make bath time more fun for your kids this year! They'll love the fun and cute characters, and you'll love that they smell better. I love a Christmas gift that can be used on the regular beyond the holiday season. You'll find adorable designs of all your kids' favorites.

Get On Track for the Holidays with the North Pole Express

Landscape architect Bill Brown gets into the holiday spirit with a miniature take on the classic Polar Express™ train ride.

"This brand-new feature at the Gift and Hobby Show is a glimpse of what a ride on the Polar Express might be like," Brown said. "If you're familiar with the children's book or the popular holiday movie, you'll notice a lot of the same elements from the story."

The 12-by-16-foot display is elevated two feet in the air with a three-foot walkaround border, making this a "look but don't touch" experience.

"From the beginning of the journey where the train picks up the hero boy at his house to the encounter with the herd of caribou and the narrow escape after sliding on the ice, this feature covers it all. You can essentially watch the train visit each of the stops you remember from the story."

That includes snow-capped mountains, disappearing into a long tunnel, the Christmas village at the

North Pole — complete with miniature elves — and, of course, Santa in his sleigh.

The Polar Express LGB model train and dozens of hand-painted miniature characters bring the display to life. "For all who truly believe," the North Pole Express is a magical display you don't want to miss!
