A Winter Woodland Comes to Charlotte

One of Charlotte's premier holiday events, the Southern Christmas Show returns with a Woodland Christmas theme! This year's show will feature a life-sized log cabin built into the main entrance and forest-inspired decorations that will make attendees feel as though they're strolling through wintry woods while they shop.

The log cabin and fire pit at this year's show entrance were created by Charlotte-based Big Bad Props, which specializes in one-of-a-kind props, sets and displays. Ballard Designs handled the interior design and décor for the cabin and woodland décor, as well as the show's dazzling designer rooms next door, which will leave guests inspired with ideas to make their own homes shine during this holiday season.

A Show Sneak Peek

Get an early look at this year's Southern Christmas Show and enjoy free parking, hors d'oeuvres and entertainment on The LeafFilter Entertainment Stage at preview night sponsored by Universal Windows Direct! The first 250 guests will receive a gift bag filled with \$100+ of local goodies.

For each preview night ticket sold, a portion of each ticket sale will be donated to our charity

Kids' Craft Corner

Kids of all ages are welcome to stop by the Kids' Craft Corner sponsored by Carolina Home Remodeling in Freedom Hall, booth #3523. While in the Kids' Craft Corner, your little ones can get a jump start on making Christmas cards for family members, stockings and so much more!

Whether you need vinyl windows, bathroom remodeling or another type of renovation for your home in Charlotte, North Carolina, or a surrounding area, turn to the professionals at Carolina Home Remodeling. Christmas Tree Lane

Christmas Tree Lane at the Southern Christmas Show features gorgeous trees from the North Carolina mountains, each adorned with decorations from a talented designer. The display routinely delights show guests, getting them in the spirit for their own tree decorations, and will have extra resonance this year as part of our Woodland Christmas theme. In addition to Christmas Tree Lane, the show will also provide ways to make mantels, doors and wreaths shine during this holiday season (see more details on page 8).

And Much More!

Stroll through Olde Towne, where the magic of the season comes alive with shops brimming with gifts, dolls, ornaments and decorations. Enjoy the pleasant sound of old-fashioned carols from the LeafFilter Entertainment Stage as you enjoy food items such as strudel, fruitcake, roasted nuts or hot pretzels. Take a picture of your little ones with Santa Claus (proceeds benefit Shriners Hospitals for Children), stop by the model train exhibits, and peruse gifts from skilled crafters and artisans from around the state and the country.

'Tis the season for a holiday décor competition! Make sure to visit the Renewal by Andersen table located in Christmas Tree Lane on Nov. 15 and 16 to vote on the best decorated Christmas tree, wreath, mantle and door. Winners of the décor competition will be announced by the Southern Christmas Show on Nov. 17.

And don't forget, whether you're replacing your old windows because they're broken, drafty or require too much maintenance, we know you have lots of questions.

There are many things to consider – glass, frame material, warranty – and most importantly you want it done right! Renewal by Andersen offers a start-to-finish, full-service window replacement process so you can sit back and relax, knowing you made the right choice. While voting for your favorite décor, you can also schedule a free in-home consultation and add those new windows to your list for Santa!

Shuttle in Style

Once you park at the show, get shuttled to the front door by the Oasis Shriners. Even better, get help with taking your purchases back to your car at the end of the day! Donations for shuttle rides go to the Shriners Hospitals for Children. Special thanks to Carolina Golf Cars who donate the golf carts for the Southern Christmas Show shuttles.
