During move-in, show hours and move-out, Show Management will maintain a show office in Jim Graham Building of the North Carolina State Fairgrounds. The office is to the right, at the end of the hallway as you enter from the breezeway that connects the Exposition Building to the Jim Graham Building. Look for the show office sign.

EXHIBITOR ENTRANCES DURING SHOW HOURS

During show hours, exhibitors may use the main entrances to the Exposition Building and the Jim Graham Building. An exhibitor badge will be required to enter the show floor.

You will not be allowed to bring in exhibit supplies through the main entrance during show hours. Please visit the show office to make arrangements as needed for bringing in supplies during the show.

*****NEW FOR 2022***** Each exhibitor will receive online ticket redemption codes valid for up to 40 show tickets. These will be emailed out three weeks prior to the show. Tickets will only be emailed out if your account has been settled in full. Pass your unique code along to your customers, who can go online and use it as a coupon code to redeem free tickets to the show using our eTicketing system. If you do not receive your tickets or you would like to request more, contact erinc@mpeshows.com.

If you wish to leave tickets at Will Call, you may redeem and print tickets using your unique code. See Will Call section below for how to leave them for your guests at the show.

COMPLIMENTARY TICKETS ARE NOT PERMITTED TO BE DISTRIBUTED AT THE ENTRANCE TO THE SHOW. Use your tickets to invite potential customers to the show, as a thank you to good customers or for friends and family.

WILL CALL

Will Call will be at the Box Office at the main entrance to the show in the Exposition Building. Tickets for your guests can be left at Will Call, providing that they are in an envelope with their first and last name on it, and how many tickets you have put inside. These will be filed by last name at Will Call, so please inform your invited guests to ensure they are able to get into the show with ease! Please use your tickets for guests—exhibitor badges should not be left at Will Call for attendees.

DECORATOR SERVICES

Southern Exposition Services (SES) is the show decorator and provides carpet, tables, chairs, cleaning, signage, etc. Please order these items directly from them. The forms are available on the Exhibitor Kit section of our website; look for the Decorator Manual link. They maintain an office at the show located in the Jim Graham Building, just outside the entrance to our Show Office.

PARKING

Exhibitor parking at the fairgrounds is free and unlimited. Trailers and box trucks may be parked down the hill from the Jim Graham Building in the dirt/gravel lot during move-in, the show, and move-out. These vehicles must be clear by Monday at 3pm when move-out concludes.

FOOD AND BEVERAGE SAMPLING

Bulk food or beverage sales can be considered for Fair Administration approval provided that any exhibitor offering food products must be pre-approved and adhere to the following guidelines. Exhibitors are required to provide a copy of their Certificate of Insurance to Erin Calabritto along with the request for sampling at least one month prior to show opening for approval.

Food products which are approved to be sold at an event must be packaged in bulk form and sealed for off-premises consumption. To avoid any confusion and consistently enforce terms of contractual agreements, a list of exhibitors selling food or beverage in bulk form along with a description of the proposed sample will be submitted to the Fairgrounds at least one month prior to the event for review.

The following are sampling guidelines applicable for approved exhibitor samples within State Fairgrounds facilities which have a food and beverage concessions contract:

- Sample being offered must be a product being offered by the exhibitor.
- Sample size - Beverage - sample amount 2 oz. or less
- Sample size - Food – sample should be 1 square inch or less and fit in a standard 1 inch condiment cup.
- Approved sampling must be offered in compliance with any regulatory requirements from Wake Environmental Services (919) 856-7419.
- Any approved sample containing alcohol will be subject to the current State Fair Alcohol Policy.

Please contact Erin Calabritto at erinc@mpeshows.com at least one month prior to the show to apply for sampling consideration and provide your required COI.

PROMOTIONAL ITEMS

We encourage exhibitors to give out promotional items at the show to market to attendees; however, due to the venue's policies, the following are not permitted:

- Alcohol as a promotional item (ex. having a "happy hour" in your booth or giving out glasses of wine)
- Any food or beverage distribution as a promotional item (ex. branded water bottles, cookies, candy, etc)
- Stickers and helium balloons are discouraged as they create a problem for the facility to clean up and you may be charged a cleanup fee (ex. sticker removal or balloons being stuck in the ceiling)

Branded totes, pens, cups, etc are welcome! The best way to promote your services is to post show specials on your Exhibitor Listing on our website for attendees to see before, during, and after the show. Promotional items are not allowed to be distributed anywhere at the show except your booth; speak to your Exhibit Sales Consultant if you are interested in a front entrance sponsorship, stage sponsorship, or feature sponsorship for additional exposure!

VEHICLES IN EXHIBITS

If you plan on having a vehicle in your booth as part of your display, please contact Operations Manager, Erin Calabritto, at erinc@mpeshows.com for approval and move-in instructions.

- Visqueen must be put down on the floor before the vehicle is driven into place.
 - All vehicles must have a locking gas cap or gas cap sealed with tape and no more than 1/4 tank of gas in the vehicle.
 - A set of keys must be left with Show Management for the duration of the show.
 - All vehicle batteries must be disconnected and cables taped.

BOOTH INFORMATION, RULES & REGULATIONS

Exhibit booths will have an 8' draped back wall. On each side, a draped side rail will extend from the back of the booth to the front of the booth at a height of 32". The drape color is black. **Tables, chairs, electricity etc. are not included with the cost of your exhibit booth.**

Flooring

Flooring is not included in the cost of your exhibit booth. **It is mandatory that all booths are carpeted** or have some type of clean, professional-looking floor covering that covers 100% of the booth's square footage.

Table Skirting

It is mandatory that all tables are properly skirted. Skirting must go from the edge of the table to the floor on all four sides. All skirting must be pressed and neat. Use of plastic table cloths, sheets, shower curtains or any type of "makeshift" table cloths is **not permitted**. We strictly enforce this and will skirt all incorrectly skirted tables at the exhibitor's expense. This requirement applies to all tables that are not furniture quality (meaning folding or temporary tables); finished furniture (of such quality that you would display in your home or office do not require skirting. Show management has final discretion if there is a question of whether a table should be skirted or not.

All inventory and personal items must be stored COMPLETELY OUT OF SIGHT. Your booth should look professional and inviting to the attendee.

Staffing Your Booth

All exhibitors are expected to be in their booths during all published show hours, as we do receive consumer complaints about un-manned displays. **Our visitors pay an entrance fee and expect to be able to do business with our exhibitors at any time during show hours. If you are in violation of this rule, your company may not be permitted to exhibit with us in the future.**

Working in the aisles or distributing brochures, etc. from any other area other than your booth is prohibited, including the aisles. All activity must take place inside your contracted space.

*****TENTS ARE NOT ALLOWED*****

Booth Guidelines

Exhibitors are allowed to build their booth to the maximum height of 8 feet. This includes back wall, sidewalls, and any marketing items in your booth (ex. signs, displays, flags, etc). 8' black drape is provided at the back of each inline booth, with 3' drape dividers provided in between inline booths.

If your display includes a sign attached to the back wall, **you must get approval from show management** and the following rules apply:

- Total height must not exceed 2' from the top of the 8' drape line
- Sign must be single sided and no designs or logos may face a neighboring booth
- Professionally finished and neat looking so as not to distract from a neighbor's booth design, or contain logos, exposed wiring, framing, raw wood, or otherwise unfinished material.
- No PVC pipe allowed
- Side walls must be completely finished on BOTH sides. No logos, exposed wires, frames, wood must be exposed for the public or your neighbor to see.
- Exceptions apply to island booths, end caps, and perimeter booths at the discretion of show management as they do not infringe upon neighboring booths.
- Teardrop flags and pop-up signs or other types of displays or signage may not extend to a height above 8' and may not extend into your neighbor's booth or out into the aisle.
- Show management has final approval on all signage.

SECURITY

Security is provided and guards will be on duty throughout the event. Every reasonable precaution will be taken to protect exhibitors' property, but Show Management assumes no responsibility for any losses due to fire, theft, robbery, damage, accident or other causes.

INSURANCE

Show Management is insured against public liability and property damage claims arising out of the conduct of the show. This insurance does not cover exhibitors' property, which is placed on display at the exhibitor's risk. Please refer to your exhibitor contract or contact Show Management if you have questions.
