How-to set up your company's Exhibitor Listing

How-to create your listing – as easy as 1-2-3-4!

1. Enter your company info online at:
www.saltlakehomeshow.com/add-exhibitor-login
2. Log in with the username: **SLCJanuary@mpe.com** and
password: **SLCJanEX9**
Please note that the password is case sensitive. Contact your show
manager if you want to fax/email your information.
3. We will create your company profile and set up your Request
Information form.
4. We will update and maintain your page as required so you can
promote product launches, store sales, events and more through
your company page!

Tips to get the most out of your listing

- Enter a full description of your company. The more information you
provide the better, as it will help people find you using the search tool.
- Use as many keywords as possible. The keywords will help you appear
in the search results. If you sell different types of products, be sure to
list them all.
- Select the category that best represents your company. Your
company will be listed under this heading.
- Include your booth number. Make sure customers can find your
company on the show floor.
- Offer a show special or discount. Use a promo code or offer a percentage off to people who mention your listing, this way
you can track the results.
- Follow up with email requests. Be sure and reply to any quote requests you receive – try and make appointments with
customers during the show.

Benefits of creating your company listing

VISIBILITY – Receive a full page on our website (www.SaltLakeHomeShow.com) to promote your company, store(s) and

requests for more information.
