**BOOTH GUIDELINES**

You must have an 8' high solid back wall extending the entire width of your display. Drapes do not qualify as a solid wall (excluding Marketplace exhibitors). I understand this wall MAY NOT BE higher than 8'.

I must adhere to the fact that while side walls are not required, if I choose side walls, the 8' high partition or wing may only come out 5' from the back wall and MUST be finished. A 3' high partition may come out the full 10' from the back wall and must be finished on the back side. I may not use doors, windows, or furniture as my side wall. If I am not in compliance or I am blocking my neighbor, I will be required to change my booth display prior to the show opening.

Tents or canopies are not permitted and will only be accepted with written approval first. Photos required.

All signs must be below 8'. Signs must be one-sided and not face into other exhibitors' booths. I understand that flags (banners on poles) are not allowed unless I have at least a 440 sq. ft. end cap. No signs are permitted to be hung from the ceiling unless I have at least 440 sq. ft. of booth space.

I MUST provide carpet or other appealing flooring that covers the entire dimensions of my booth either by renting from the show decorator or providing my own.

I MUST professionally drape and skirt, with cloth coverings (no plastic/paper), any tables used in my booth either by renting them from the show decorator or providing my own. I understand that bed sheets and plastic tablecloths are not permitted. Tablecloths should come to the floor.

**PLEASE BE AWARE THAT FAILURE TO FOLLOW EACH OF THESE RULES MAY RESULT IN YOUR COMPANY NOT BEING PERMITTED TO EXHIBIT IN FUTURE SHOWS!**

**PARKING:** Due to the location of the show, you are responsible for securing your parking during the show. Please see our website for a map of nearby parking garages.
