HEAR WHAT ONE OF OUR EXHIBITORS HAD TO SAY:

"We made a decision to invest a considerable amount in upgrading our display for the 2018 show. This new display substantially increased the number and quality of leads we received. We generated a phenomenal 400%- return on our investment, which is the best marketing dollars we've ever spent. It pays to put your best foot forward!"

— Roland Rivard, *Voyageur Door and Window*

"We at Barkman were very impressed with the overall attendance of the show as well as the amount of advertising that went into this weekend. The show is now headed in the right direction and we are looking forward to working with you again at next year's show. Great job."

— Barkman Concrete
